**AUTHORIZATION**

of Messrs. BULMAR CONSULT LTD., Varna, Bulgaria  
for the performance of foundation work with Cast Resin types  
PR610TCF (Chockfast orange) and PR610FR (Chockfast grey).

Here: - Confirmation by GL Head Office

Dear Sirs,

Herewith we acknowledge receipt of your above-mentioned letter.

We have taken due notice that Messrs.

**BULMAR CONSULT LTD.**  
10 Okolchitza Str.  
9000 Varna / Bulgaria

have been authorized by you to carry out foundation work with Cast Resin types  
PR610TCF (Chockfast orange) and PR610FR (Chockfast grey).

In principle we have no objections to this procedure, however, we take it for granted that for seatings  
on GL classed vessels the Instructions for Mixing and Processing of the Cast Resin Manufacturer  
Messrs. Philadelphia Resins Corp., USA, as well as the Type Approval Conditions of Germanischer  
Lloyd for the above-mentioned Cast Resin types have to be observed.
